

ABOUT THE OCEAN STEWARDS EDUCATIONAL PROGRAM

The Ocean Stewards Educational Program is a pilot project for schools in Indonesia by Plastic Bank in partnership with Alliance to End Plastic Waste (AEPW). The purpose of this project is to:

1. Educate the future generations and develop plastic recycling habits starting at home in order to protect the environment and our ocean.
2. Provide access to recycling infrastructure in schools for students, families, teachers and surrounding communities so they can contribute to increasing plastic recycling rate and stopping ocean plastic by donating their recyclable plastic waste.

Ocean Stewards Educational Program will be rolled out to 20 schools in Bali, and Surabaya, reaching 5,000 students and 200 teachers.

- Timeline of the rollout:
 - June - July 2022 - Training of teachers
 - September - December 2022 - Implementation of educational program in schools
 - September - December 2022 - Create accessible online modules
